Popcorn Updates

Monday Oct. 10^{th} – If you have popcorn that you are unable to sell, you must return it on the 10^{th} . If you do not return it on that date, you will need to sell or buy the popcorn.

Also on Monday Oct. 10^{th} – If you have been doing "Take Orders" (having people place orders on your sheet without actually giving them popcorn), please fill out this form below and let me know what you have orders for so far.

This way we can fill your orders with popcorn that is returned from other scouts before returning it to the district. You do not have to stop selling. This just lets me know what orders we have up to this date. You may continue selling until Oct. 23rd.

Saturday Oct. 15th – Troop 108 Blitz Day – We will be having a Blitz Day to really push sales as we are nearing the end. You can stop by the Scout House between 8:00 and 8:30 to pick up a specially marked sales sheet. Go out and sell as much as you can until 6:30. Return to the Scout House at 7:00. We will be giving away prizes to the top seller of the day. We will also be handing out tickets for each sale you make for a raffle of the other prizes. So the more you sell, the more chances you have to win.

Please turn in on Oct. 10 th .
